Ivan Cooke was the partner of a woman who âœchanneledâ • an entity called âœWhite Eagle.â • Hereâ™s a Web description of how their healing works:White Eagle healing begins with the simple, yet profound work of radiating the light of the Christ Star to all in need. The six-pointed Christ star is a mystical symbol of man/woman made perfect in matter, and thus is the means of channeling spiritual perfectionâ "the Christ lightâ "to bring comfort, peace, joy and strength. The lodge runs a

school of spiritual healing which grows out of this concept, and uses the power of the colour healing rays, through the chakras and the aura of the patient, both in absent and contact healing sessions. (This service is always offered free of charge, and contact healers are trained to national standards and follow national codes of conduct where these exist.) If you're open to this stuff, then this book might work for you. Interpreting chakras and auras is a bit too esoteric and specialized for me, I'll stick to The Infinite Way.
