High Court Case Summaries On Property, Keyed To Dukeminier, 7th

Synopsis

Dukeminier's High Court Case Summaries on Property, 7th contain well-prepared briefs for each major case in this casebook. High Court briefs are written to present the essential facts, issue, decision and rationale for each case in a clear, concise manner. While prepared briefs can never substitute for the insight gained by actually reading a case, these briefs will help readers to identify, understand, and absorb the core take away knowledge from each case. Moreover, these briefs are followed by a useful legal analysis, which provides extra tips and contextual background about each case, connecting the case to the broader concepts being developed throughout the casebook. This book also supplies case vocabulary, which defines new or unusual legal words found throughout the cases. Finally, to enhance the reader's recall, there is a corresponding memory graphic for each brief that portrays an entertaining visual representation of the relevant facts or law of the case.

Customer Reviews

This book is a great help to capsule the cases. It gives you a good critique of what is going on and who the characters are. Good supplement to case book.

I wish they had the 8th edition, but since they do not, I purchased this edition. There are several cases that are in the 8th edition casebook that are not in this Case Summary. This is not a complaint about the book - merely information for others who may be looking for something to help supplement the 8th edition.

Great case summaries but doesn't have the chapter topic information that my contracts HCCS book had. Just has case briefs but I do prefer these briefs over others because the layout is clean there is a graphic and the plain language helps me understand what I'm looking for before I read it in the case book.
