Saint Lucia Book Of Dates: 1900 - 1999

Synopsis

Saint Lucia Book of Dates; is a database. This book of lists, a Historic Calendar of the Caribbean Island of Saint Lucia, takes no sides. It offers no opinion and certainly no analysis. The author states the date and the facts of the matter. The reader is left to draw their own conclusions. It is all there; from the spectacular events that make Saint Lucians proud as occurred in June 1996 when Saint Lucia took part in its first Olympic Games [Atlanta, Georgia, USA]; to the events that causes us to unite in grief as when in May 2001 the three Xavier siblings of Micoud died in a singular motor vehicle accident followed in 2010 with the community of Dugard losing nineteen members of their community when their bus plunged over the cliff at Morne Sion. The picture of the island is complete and nothing is hidden. The range includes religion, politics, culture, crime, sports even disasters. This book is a must for all Saint Lucians and Caribbean Historians. It is the perfect tool for researchers and consultants. Students of all levels from Elementary to Doctoral will find the information invaluable. In fact the ease with which the information can be absorbed means that it will make the ideal gift for anyone.
