## Customer Reviews

The book is great for someone who needs a start to finish overview of exactly what kinds of bankruptcy there are and how to file and even the pluses and minuses of each one. If you are considering filing for bankruptcy or just want more information on the subject, do check this book out. You will not regret it.

Very short book. But you will get an idea how to deal with Bankruptcy.

This book was very detailed regarding the bankruptcy process. I haven't filed yet but I will in the coming weeks!

This is the book that I have relied on to get myself out of being dead broke and being in debt. The author provide step by step guides to make you to take action and get you out of your bankruptcy zone. the content is written in details and the author pays attention to the small details you don't know and goes through them to ensure you understand every term. I purchased this book to help out one of my friends since he is broke and does not have the money to purchase this book. I have seen great result in the way he manage his money now and he is moving towards getting his life together again. I would also recommend you to get this book if you want to save yourself out of bankruptcy.
