Synopsis

Always wanted to play backgammon but haven’t much time to learn? This handy little eBook will show you how in just 10 minutes Introduces how to arrange the checkers, how to move, scoring and notation, and explains simply and effectively how gameplay works Informative diagrams and quirky illustrations help the information stick The classic board game backgammon has been called ’the perfect combination of skill and luck’. It may look complicated on first glance, but this absorbing, fun game really couldn’t be simpler. This helpful, portable eBook gives you all the information you need to go off and play your first game. In clear, easy-to-follow text, backed up with helpful board diagrams and illustrations, the author shows you around the board, explains how to set up your checkers, the basics of running, blocking and hitting, and an impressive array of handy tips and hints to help you win the game. It also covers how backgammon notation works, how to score and the best places to play backgammon online. Armed with the information in this book, you’ll become an expert backgammon player - in super- quick time!

Customer Reviews

some of the cartoons and some of the jokes are not at the kid level but maybe they won’t get them

so I gave it to my 9 year old grandson. He just learned how to play from his grandfather and dad but this gives him some extra help and some of the more correct terms. I liked the format.

The info is O.K., this is more like a pamphlet... font size should be bigger.... Yes, it does have the basic info and get you started. .BUY a used copy. Happy backgammoning. .

it will help me and my family learn the game.

Clear instructions.

Very good
