# The Encyclopedia Of Hollywood, Second Edition

## Synopsis

The only book that combines stars, films, genres, and history into one encyclopedic reference, The Encyclopedia of Hollywood, Second Edition provides an authoritative, unique insight into America's popular film industry. Since writing the first edition of this book more than a decade ago, the authors have become well-known film critics, and they bring their experience, insider knowledge, and detailed understanding of Hollywood to each entry. Thoroughly updated and revised, the second edition makes the most of the authors' expertise and provides comprehensive and current coverage of Hollywood. The Encyclopedia of Hollywood, Second Edition is a must-have reference to the history of American filmmaking, from its emergence to the present. The entries are entertaining and will appeal to anyone who has ever seen a Hollywood film and wanted to know more about it.

## Book Information

Hardcover: 548 pages

Publisher: Facts on File; 2nd Revised ed. edition (October 1, 2004)

Language: English

ISBN-10: 0816046220

ISBN-13: 978-0816046225

Product Dimensions: 8.6 x 1.2 x 11.2 inches

Shipping Weight: 3.4 pounds (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #2,019,593 in Books (See Top 100 in Books) #79 in [Books > Humor & Entertainment > Pop Culture > Reference](#) #223 in [Books > Humor & Entertainment > Movies > Encyclopedias](#) #796 in [Books > Humor & Entertainment > Movies > Industry](#)

## Customer Reviews

This book tried to fulfill an almost impossible task; to summarize the history of Hollywood in one volume through a series of encyclopedia entries. Much of the information is fairly familiar to historians, but there are some quirky entries - for example, on the forgotten director Allan Dwan. As a reference book, its use might be limited; but as bedtime reading, it is an ideal text. Readers can dip into it at will, and be assured of reading a series of concise, well-written entries. Perhaps the bibliography might have been a little more comprehensive, but nonetheless it's a worthwhile text.

If you are interested in movies and movie stars, this is a great summary of a lot of actors, directors, cameramen, etc. It gives you a brief description of each.
