Customer Reviews

I purchased this book to help with my wills and trust class. It is keyed to my coursebook, making it very easy to fully understand the concepts we are going over in class. I highly recommend this and all other Emanuel outlines.

Very good supplement. The writing is clear. The points are direct. It has comprehensive coverage of the topics. No cleaver, artsy writing or ambiguous statements; just clear descriptions of the law.

This is the best study guide and outline available for Wills and Trusts. I would take this over any other outline and I had purchased the E and E as well.

Emanuel outlines got me through law school. Get this if you need to understand that law of wills and trusts

Holy Grail for my Wills, Trusts, Estates Class. Literally.
