Customer Reviews

I thought it'd be a fairly easy course/book. Depending on your teacher, it may be. The book, however, is extremely hard. My instructor wants you to complete all the book work along with tests she's made. The biggest problem I'm having with this product is there is no glossary. All the work is about definitions and matching and all of her tests are as well. I feel like I'm going to have to also

purchase a legal dictionary.

A fantastic presentation of Legal Terminology, clear and concise!! Gives the entire framework for Legal Studies!!
