The Viking Anthology: Norse Myths, Icelandic Sagas And Viking Chronicles

Synopsis

The Comprehensive Collection of Viking and Norse Literature This vast ebook Anthology is exploding with masterpieces of world literature, ranging from the peerless Icelandic Sagas, to the Norwegian 'Heimskringla', or the 'Chronicle of the Kings of Norway'. As well as these original texts (in English Translation), are several accompanying great works of scholarship which are an essential companion to the texts - assisting the reader in their understanding of Viking, Norse and Icelandic culture and beliefs - from their complex creation myths, to their huge array of Pagan Gods to rival the pantheons of Ancient Greece or Rome. Anyone with an interest in the rich and fascinating history of the Vikings should invest in this excellent anthology, that compiles huge numbers of work into one incredible resource. The anthology has a full table of contents that responds to every chapter within the numerous different works, and has been carefully edited and formatted to remove any errors from the text. Included in this Anthology are the following works: Norse Myths- Myths of the Norsemen- The Elder Eddas of Saemund Sigfusson- The Younger Eddas of Snorri Sturleson (with Glossary)- The Story of the Volsungs and the Niblungs- The Story of Sigurd the Volsung and the Fall of the Niblung- Icelandic Sagas- The life and Death of Cormac the Skald- The Saga of Grettir the Strong- Laxdaela Saga- The Saga of Burnt Njal- The Saga of Olaf Tryggvason- The Saga of Harald the Tyrant- The Story of Frithiof the Bold- The Story of Gunnlaug the Worm and Raven the Skald- Eirik the Red's Saga Histories and Chronicles- Saxo Grammaticus- Heimskringla, or the Chronicle of the Kings of Norway

Customer Reviews

I've always been interested in the Vikings, and this interest has been amplified by watching the Drama series "Vikings" here on (and Thor as well!). I knew that various Viking Sagas had survived, and I had a look on Wikipedia and was surprised by how many there were. There are lots of them available for free, but this book has compiled them together in one place, along with lots of other material that will help you to understand the stories. There are the sagas themselves, and then there are several contemporary books explaining the Viking religion, mythology and mindset. It's really interesting stuff, and although some of the sagas can be tough reading - others such as 'Eirik the Red' are completely thrilling to read. This is a great book - you can tell that a lot of work has gone into putting it together. It's like a "One-stop-shop" for anyone interested in the Vikings, and I can highly recommend it!

It's a nice huge book filled with most of the Lore in Heathenry at a great price. If you want to read all you can and do not have a lot of money, a good deal!

I never grow weary of reading Eddas and Sagas always something new and exciting to learn.

a great anthology to start your journey with
