This is by far one of the best Christian books I have read. I laughed until I cried, and then I cried until I laughed. Chonda uses humor and then the incredible story of her life to make us all realize that God is indeed in control

After seeing Chonda live in Chicago last year, I am convinced that she's our very own comedian angel sent by God to wake and shake us! Chonda's book is a true inspiration, but actually listening to her speak and sing is an even bigger treat. It's hard to find her tapes, both video and audio, but definately worthwhile to search for. I've purchased three extra books and tapes to give as presents. This is truly a MUST Buy for Christian women of all walks of life.

This was such a wonderful book. I related to much of what she said and I've learned much from the way she handled similar situations. Reading it just reinforces my faith in God's grace. And that even those who love God and want to please Him struggle with forgiveness when we've been deeply hurt -- it's a process and prayer and boundaries help. I'm grateful to Chonda for writing this book! I laughed so hard sometimes I nearly cried.

I saw Chonda at a Women of Faith gathering in Cincinnati. She moved 15,000 women to tears of laughter and emotion. If she is ever speaking in your area, go see her! Truly amazing and inspiring.
